

# GROSSET

## Pinot Noir 2014

This truly hand-crafted (and foot-plunged) single vineyard pinot is subtly complex, textural and tightly structured.

Delicately fragrant red cherry florals, a burst of primal mulberry and strawberry flavours and a velvety smoothness give the wine a surprising immediacy. Looking again there are hints of complexity: on the nose, light, briary notes, some darker berry fruits; a richness and concentration, wild blackberry characters which flesh out the palate: and importantly, fine, gentle tannins. It has precision and balance on a light, tight frame.
