VINTAGE NOTES

The 2016 vintage in the Great Southern was wet and slow with the fruit being harvested later to ensure elegant fruit characters were achieved. In general, the white wines display fresh varietal fruit with delicate, aromatic primary fruit flavours.

The free-run juice was produced using a very gentle pressing cycle to a stainless steel fermentation vessel. Neutral yeast were used to create a wine of purity and elegance.

ANALYSIS

Alcohol 11.5%, pH 3.19, TA 7.9 g/L

TASTING NOTES

Colour Clear and bright, and very pale straw in colour.

Aroma The wine displays clean citrus blossom and lime leaf aromas.

Palate A dry, very well balanced wine that reveals crisp, zesty acid and intense and pristine citrus notes. Exhibits elegance, precision and an impressive persistence.

CELLARING

Enjoy now or cellar for up to 10 years.
