VINTAGE	2017	
REGION	Margaret River	100%
VARIETIES	Tempranillo	75%
	Shiraz	15%
	Grenache	10%
RRP	\$30.00	

VINTAGE NOTES

The 2017 vintage (for Rosé) was undoubtedly the best in Deep Woods Estate's history. A long, cool growing season allowed for slow, measured flavour development which resulted in lower than normal alcohol levels with incredible complexity of flavour.

A wine produced solely from Margaret River fruit and made to sit alongside the very best wines from the Deep Woods stable. The aim was to make a contemporary style of Rosé; nuanced and delicate, yet still full-flavoured.

This wine is a blend of Tempranillo and Shiraz with a small proportion of Grenache, all largely grown in the Yallingup Hills. Small parcels of oxidative-handled Tempranillo and Shiraz were incorporated, which were fermented slowly and carefully, to produce a Rosé of great character, delicacy and complexity.

ANALYSIS

Alcohol 12.5%, pH 3.22, TA 6.45 g/L

TASTING NOTES

Colour Palest salmon pink.

Aroma Lifted fragrant sour cherry and wild strawberry.

Palate Wild strawberries and redcurrant with pippy fresh acidity and a fine, long structure. The wine builds through the mid palate to deliver a persistent, savoury, textural and dry finish.

CELLARING

Enjoy now, slightly chilled.
