

# DEEP WOODS

E S T A T E

<b>WINE</b>	Deep Woods Ivory Semillon Sauvignon Blanc	
<b>VINTAGE</b>	2017	
<b>REGION</b>	Margaret River	100%
<b>VARIETIES</b>	Semillon	52%
	Sauvignon Blanc	48%
<b>RRP</b>	\$15.00	

## VINTAGE NOTES

Ivory is a classic blend of Semillon and Sauvignon Blanc produced from both select growers and Deep Woods Estate grown fruit.

The 2017 vintage certainly provided some challenges to the viticultural team. An atypically cold and wet February meant that careful canopy and crop management was required to ensure that fruit quality was retained.

This wine is comprised of Semillon from the Northern part of the region where it achieved full ripeness, and Sauvignon Blanc, from the very South of Margaret River where the most exuberant fruit was found.

## ANALYSIS

Alcohol 12.5%, pH 3.1, TA 7.8 g/L

## TASTING NOTES

**Colour** Very pale in colour with brilliant green hues.

**Aroma** A delicate yet lifted nose exhibiting aromas of guava and lime laced with lemon blossom.

**Palate** Intense citrus and passionfruit flavours abound on the palate. A level of green-fruited 'crunch' adds complexity .  
A zesty and refreshing acid backbone provides structure and length.

## CELLARING

Best enjoyed in the first two years from vintage so as to capture the freshness and vibrancy of the wine.
