VINTAGE NOTES

The 2012 harvest in Margaret River continued a run of excellent vintages. The fruit for this southern Rhône blend was sourced from various meso-climates throughout the Walcliffe area of the Margaret River wine region.

The ferments were managed with a combination of plunging and pump overs. Some batches were basket pressed and then transferred to large seasoned oak barrels for maturation over 12–15 months.

ANALYSIS

Alcohol 14.5%, pH 3.40, TA 5.4 g/L

TASTING NOTES

Colour	Deep crimson red in colour with purple hues.
Aroma	Loaded with primary fruit aromas of blueberries, plums and raspberry pastilles, the wine has an alluring charm with licorice and savoury spice notes adding intrigue.
Palate	The palate exhibits juicy dark plum and sweet red berry flavours with underlying hints of white pepper. Whilst the palate is well supported by seasoned French oak, the tannins are soft, round and very fleshy.

CELLARING

Drinking well now but will age over next 3–5 years.
