

Sparkling Moscato

*Think of fresh grapes. That's what Moscato tastes like.
The colour is translucent with bubbles that liven up any palate.
The palate is fruity and fresh with a lovely crisp finish.*

*A great single serve that can be taken almost anywhere and
enjoyed chilled*

Sparkling Chardonnay

*Medium straw in colour with a fine bead. The nose has lifted
fruit characters with slight toast nuance. The palate is soft
and full flavoured with a good 'mousse'.*

*A great single serve that can be taken almost anywhere and
enjoyed chilled*
