

NIKOLA ESTATE

There is much heritage in the heart of the Swan Valley at Nikola Estate, where the Yukich family have realised a long-held dream by returning the grounds and winery of Swan Location 11 (formerly Houghtons) to Western Australian hands. With the christening of the winery and grounds in tribute to their grandfather, Nikola, the Yukich family continue their passion and dedication for elegant premium wines and delicious foods.

Surrounded by some of Western Australia's oldest vines, Nikola Estate encompasses 139 acres of mature vines, producing exceptional fruit hand-crafted into premium, regional varietal wines, vinified and bottled on-site by our award-winning winemaking team.

WINEMAKING NOTES

Sourced from 100% Swan Valley fruit, these wines have been crafted from a Solera dating back to 1976. Each wine sits in the "Rare" classification as they are approximately 35 years average age. Blended using a Solera system to retain freshness and fruit expression of the wines. Held in seasoned casks, the key is to retain the natural vibrancy of the wine whilst aging gracefully.

TASTING NOTES

An intense array of complex fruit, with burnt toffee and roasted coffee character with a rich, viscous mouthfeel.
