

Our Wines - The PIERRO *Family*

LADY CHARDONNAY

First Lady of the PIERRO Household. Elegant, poised and refined with a fruity undertone, like any self-respecting Duchess. Her reputation precedes her from years of experience and loyalty to her style. At the party she extends a delicate hand to you in greeting, her white peach and nectarine skin lit up by a seamless smile and a playful citrus twinkle in her eye. She dresses in sumptuous layers of creamy silk, underpinned with a beautiful, steely structure and her flowing skirts trail behind her in a long, harmonious and elegant finish. Just a sip and she inclines her head gently over her shoulder as she walks away, leaving you with a lingering impression of purity, balance and underlying power that stays with you long after she has left the room.

Favoured Listening

Delibes' Flower Duet

Harmony; delicate elegance balanced perfectly with richness, depth and hidden power. Long, lingering finish that leaves one feeling delightfully pensive and soothed!

PIERRO Chardonnay 2015

From the superb, low yielding 2015 vintage, this wine is displaying the full extent of PIERRO's winemaking abilities. Intense and rich but delicate and fine. The suite of flavours of peach, melon and nectarine, complex and savoury ... all linger to a long sumptuous finish.

Utterly gorgeous and perhaps the best we have made.
