Uniquely made from the Germanic red grape, Trollinger, and other selected Adelaide Hills red varieties (Pinot Noir and Merlot). These hand-harvested grapes were pressed together and co-fermented in stainless steel tanks till dry. Made in the typical French Provençal style, this wine has a beautiful copper-pink colour and is fresh, light and dry with loads of cherry, quince and strawberry aromatics. Vibrant on the palate with a tumble of berries and quince notes, plus a sexy textural finish that allows this wine to be perfectly matched to your favourite sea-food dishes and all spicy cuisine.
