

MASTERPEACE CHARDONNAY

masterpeace

Deep straw in colour with glistening golden hues, this wine immediately suggests richness and maturity in the glass. The nose is layered and complex, opening with soft nutty notes that lend a subtle creaminess, before unfolding into ripe stone fruit aromas of peach and nectarine, accented by delicate hints of honey and a whisper of vanilla. On the palate, the wine delivers impressive weight and a generous mouthfeel, coating the tongue with a smooth, almost velvety texture. Flavours of juicy stone fruit dominate, particularly peach and nectarine, balanced by a gentle freshness that keeps the wine lively and engaging. The finish is long and harmonious, echoing both the nutty nuances and ripe fruit characters, leaving a lasting impression of elegance and depth.
