## 2023 Swan Valley El Sol Semillon

“El Sol” is Spanish for “The Sun”

an essential ingredient to achieving the very late harvested and distinctively ripe Semillon grapes to make this beautiful wine.

Using these deliciously ripe grapes bursting with flavour we have crafted this excellent sweet white wine.

Intense aromas of ripe paw-paw, honeydew and citrus.

Mouth filling palate of tropical fruit, mandarin and lemon curd. Finishes sweet yet fresh with generous acidity, resulting in a perfectly balanced wine.

This wine complements a wide range of dishes. Spicy, chilli infused foods including many Asian styles. Intense salty foods, dried and preserved meats and strong cheeses such as cheddar or pecorino. It is also well suited with fresh/dried fruits and fruit tarts.

*Faber Vineyard was established in 1997 by well-known winemaker John Griffiths.*

*The dream is to grow regionally distinctive grapes and craft wines that are rich and flavoursome.*
