

Faber Vineyard

2023 Swan Valley RICHE SHIRAZ

A beautiful expression of Shiraz grown in our warm Swan Valley climate. The 2023 Vintage was a near “perfect” season - good winter rains, mild spring, and moderate summer heat.

Our winemaking is simple with the aim of capturing the flavours and fruit sweetness this fruit offers to craft a generous and delicious wine.

Sound, well ripened, hand picked Shiraz from our own and neighbouring vineyards was crushed and fermented in open vats, then aged in older oak barrels for 10 months to mellow and soften.

Bright burgundy red colour, intense aromas of plum, mulberry and a hint of cedar. Rich, sweet fruit flavours of stewed plum, tobacco and cedar. It has excellent length of mouth-coating tannins with a soft, velvety grip on the finish.

A terrific wine, and undoubtedly drinking well now, it will reward those who can manage to hold on to it, and will continue to develop and soften for many years to come.

A gold medal winner at the 2024 Swan Valley Wine Show

Faber Vineyard was established in 1997 by well-known winemaker John Griffiths.

The dream is to grow regionally distinctive grapes and craft wines that are rich and flavoursome.
