Skywalk Riesling Porongurup

Skywalk Riesling is named after the lookout which is affixed to the side of Castle Rock itself, providing great views of the surrounding area. A full and flavoursome style Riesling with a rich and balanced palate.

A blend of all our Riesling blocks. Fruit was machine harvested, with the medium pressings juice portion being used in the wine. Juice underwent a cool ferment in stainless steel tank with inoculated yeast. Short maturation before bottling to retain freshness.

Pale lemon colour with green hues. Classic Skywalk Riesling nose, full of musk sticks and florals. An approachable and more-ish palate, with lovely richness and subtle texture. Softer Meyer lemon-like acidity running the length of the palate, finishing fresh and playful.
