

THUNDERSTONE

THUNDERSTONE 2024 RIESLING PORONGURUP

The 2024 vintage is the start of Thunderstone, a single vineyard Porongurup Project featuring Riesling, Chardonnay and Pinot Noir. These are the stars of Porongurup wines and lift the profile of this tiny and obscure, yet unique, region.

The Riesling block is on shallow gravelly soil with a northern aspect. The hand pruned vines are manually shoot positioned with excess and damaged fruit removed before picking. The 2024 Thunderstone Riesling was handpicked and whole bunch pressed with a generous free run cut to maximise purity of line. Typically, between 450-500L/T is our juice yield.

The 2024 Thunderstone Riesling is typical of the vineyard, region and vintage. The warmer year has added an element of pithy fleshiness to the regional fresh lime skin, kaffir lime leaf and white floral notes...there's also some underlying chalk and spice minerality particular to the vineyard. Bright and long with soft juicy acidity and lingering bath salts/floral notes. Perfect with a bowl of garlic or chilli mussels

Vintage	2024
Varieties	100% Free Run Riesling
Appellation	Single Vineyard, Porongurup, Great Southern
Harvest Date	19th and 24th February 2025
Acid	8.1
pH	2.87
Bottling Date	8th May 2024
Residual Sugar	0.5 g/L
Alcohol %	12.7
