

MASTERPEACE ROSE

masterpeace

A delicate reminder of strawberries and cream greets the nose, carrying a playful confectionary charm that immediately draws you in. On the palate, an upfront burst of tangy cranberry delivers a lively tingle, giving way to a gentle wave of juicy, grapey sweetness that fills the mid palate with softness and charm. This sweetness is beautifully balanced by a line of fresh, clean acidity that keeps the wine bright and energetic. As the flavours evolve, a refreshing citrus edge emerges, with lingering notes of pink grapefruit that stretch gracefully into a long, zesty finish. The combination of fruit purity, subtle sweetness, and crisp acidity makes this wine both refreshing and moreish, leaving the palate uplifted and eager for the next sip.
