

GROWING SINCE 1929

# NIKOLA ESTATE

## ESTATE CHENIN BLANC

### COLOUR

Straw yellow hues

### NOSE

The nose is bright and lifted, showing citrus zest and lemon oil, alongside red apple, fresh nectarine, and delicate stone fruit notes.

### PALATE

The palate is finely balanced, with delicate talc-like texture and layers of crisp pomme fruit. Subtle notes of just-ripe strawberry and granny smith apple add crunch and freshness, leading to a long, aromatic finish that is both generous and rounded.

### WINEMAKING

The fruit was picked from our 1963 plantings, plot #7 of rare old chenin blanc vines, matured on fine lees before being bottled in July 2025. The depth and generosity from the characters of the old vine is evident in every sip on this stunning wine.

### VINTAGE CONDITIONS

The Swan Valley experienced near-perfect vintage conditions, with warm days and cool nights contributing to even ripening. This allowed for optimal flavour development and enhanced intensity, balance, and character.

### QUICK NOTES

#### VINTAGE

2025

#### WINEMAKERS
