

Andrew Peace

the australian good life. bottled

masterpeace

Blanc De Blanc

The Story

We believe this is the Aussie Hero of our wines – laid back, easy going, but still full of energy and enthusiasm. This is our range that boasts the most individual grape varieties and blends.

Winemakers Notes

Medium straw in colour with a fine bead. The nose has lifted fruit characters with slight toast nuance. The palate is soft and full flavoured with a good 'mousse'

Vintage

NV

Winemaking

The Murray River is the centerpiece for this warm climate region of Australia. Long hot sunshine hours and low humidity are the growing season. The continental influence is strong, with consequent high shifts in diurnal temperature ranges but insufficient to make spring frosts a problem.

Region

Victoria

Analysis

Alc/vol 13.0% T.A. 7.3 pH 3.27 RS Dry
