

# MUSCAT NV

## ASSESSMENT

**Colour:** Golden yellow with orange hues.

**Bouquet:** Attractive nose showing youthful Muscat fruit characters of rose petal and raisins. This is complemented by some older developed, complex, rancio aromas

**Palate:** A delicate fortified style showing luscious, rich and smooth flavours of raisins and lifted rose petals. The light rancio flavours add complexity and a rich mid palate. The finish is warm and luscious with an orange rind and marmalade tangy aftertaste.

## FOOD ACCOMPANIMENT

A perfect after dinner wine, complementing rich desserts and coffees. Also great for marinating strawberries.

## CELLARING POTENTIAL

This wine has been aged in oak barrels for an average age of 5-7 years, so is ready for immediate consumption. It will however last in bottle for several years
