

NIKOLA ESTATE

The Estate wine portfolio showcases the stylistically different varieties that Western Australia can produce to suit its casual and sun-drenched Mediterranean lifestyle. The wines in this range are predominantly crafted from single vineyard sites in specific plots that have been selected for their distinct flavour profiles for each of the regions.

Chenin Blanc is the Hero variety of the historic Swan Valley, with plantings here dating back to the 1930s. These old vines thrive in our modern to warm climate, which is why the Swan Valley accounts for one-third of Australia's total chenin production.

WINEMAKING NOTES

The fruit was picked early, resulting in low sugar levels. The base was made in stainless tanks and re-fermented in pressure tanks and bottled under pressure, also known as the Charmat Method. 7.5g residual sugar added.

TASTING NOTES

This refreshingly balanced wine displays enticing aromas of nashi pear and lemon blossom that weaves into an intoxicating combination of fresh yellow fruits and crunchy green apple on the palate.
