

NIKOLA ESTATE

The Nikola Estate wine portfolio showcases the stylistically different varieties that Western Australia can produce to suit its casual and sun-drenched Mediterranean lifestyle.

The wines in this range are predominantly crafted from single vineyard sites, in specific plots that have been selected for their distinct flavour profiles for each of the regions. The range includes a chenin blanc, sparkling chenin blanc, sauvignon blanc, chardonnay, shiraz, cabernet sauvignon and verdelho.

WINEMAKING NOTES

The base wine is made from chenin blanc grapes from our 1963 block, with bright fruit picked at the perfect time. The base wine was fermented in stainless steel tanks, tiraged in the bottle with EC1118 yeast, and stored underground on lees at 17°C for 14 months. After lees ageing, the wine was disgorged and dosaged with shiraz wine.

TASTING NOTES

Salmon and peach-blush in colour with aromatics of brioche, strawberries and cream. The wine is balanced and creamy, expect fresh white strawberries and creme brulee on the palate, with a nutty almond and savoury finish.
