

## NIKOLA ESTATE

This small batch and experimental wine range embraces the vast landscape of Western Australia and its world-class wine regions. This captivating collection of wines has been crafted from select parcels of fruit from the sun-drenched Swan Valley, the coastal beauty of Margaret River and Geographe, and the cool climate Great Southern regions.

The Regional range showcases the incredible diversity of the vineyards and the wines that can be produced from different districts. Each wine in this range is a regional hero, with the vineyard sites being carefully chosen to showcase the exceptional calibre of fruit and capture those distinct regional characteristics in the wines.
